Summary

Fresher MERN stack developer who builds full-stack web apps with authentication, REST APIs, real-time features and AI integration. Built and deployed an AI-powered interview prep and resume builder and a real-time chat app.

Skills

Frontend: HTML5, CSS3, SCSS, JavaScript (ES6+), React.js, Tailwind CSS

Backend: Node.js, Express.js, REST APIs, JWT Authentication, Socket.io

Database: MongoDB, Mongoose, MySQL

Tools: Git, GitHub, Postman, Gemini API, Vercel, Render

Projects

AI Interview Prep & Resume Builder Live Demo | GitHub

React, Node.js, Express.js, MongoDB, SCSS, JWT, Gemini API

- Built a full-stack MERN app that generates a personalized interview prep report from a candidate's resume, self-description and target job description.
- Report includes a match score out of 100, technical and behavioral interview questions, and a day-wise preparation plan with the topics to focus on for the target role.
- Integrated the Gemini API on the backend to generate reports from user inputs.
- Implemented JWT-based register/login and a saved history of each user's previously generated resumes.
- Added ATS-friendly resume generation with PDF export.

Chatty: Real-time Chat App Live Demo | GitHub

React, Node.js, Express.js, MongoDB, Socket.io, JWT

- Built a full-stack real-time chat app with Socket.io, with live messaging, typing indicators and an online list for each room.
- Implemented JWT authentication with bcrypt password hashing, plus public rooms and passcode-protected private rooms with server-side access checks so only members can read private messages.
- Added automatic message expiry using a MongoDB TTL index, and delete permissions for message senders, room owners and an admin, with deletions updating live for everyone.
- Built a responsive layout for phones; deployed on Vercel (client), Render (server) and MongoDB Atlas.

Work Experience

Digital Operations Executive Nov 2024 – Aug 2026

Cafoli Lifecare

- Managed data entry and product listings across multiple online platforms.
- Handled social media accounts for the company.
- Coordinated with manufacturers on product pricing.
- Provided technical support to office staff.

Education

Bachelor of Computer Applications (BCA) 2023 – 2026

Uttarakhand Open University | CGPA: 7.15
